

- **Grandview Plaza & Reno Place**

- AURA is working with Landon Enterprises LLC to develop two of the premier corners in Olde Town - the south and northwest corners of Olde Wadsworth and Grandview Avenue. The project, with incredible views of both Downtown Denver and the mountains, will consist of beautifully constructed mixed-use buildings with 98 parking spaces. Landon is leasing space to restaurants, retail and offices and is looking to break ground early 2006. For leasing information please contact Blake Fisk with Landon Enterprises at (303) 394-3300.
